### **Business Meeting**

Minutes of the previous meeting were approved, as was the Treasurer's report.

It was agreed that we will change the annual outing to the September meeting each year, in hopes that more members will be able to attend the annual outing.

New officers for the coming year were approved. Those officers will be:

|              |                |
|--------------|----------------|
| John Jackson | President      |
| Jo Kula      | Vice President |
| Barb Walker  | Secretary      |
| Tammy Boring | Treasurer      |
| Sally Siferd | Program Chair  |

John reported that the person at his firm who was working on setting up the Chapter web site has left the firm and thus, will not be able to complete this project. It was suggested that we contact a local college to see if a student there could help us with this project.

Several members who had attended the national conference in Nashville gave comments about the conference.

Jo suggested that possibly we should change the location of each meeting, to encourage more people to attend. After discussion of this topic, all agreed to keep the meetings in Columbus.

It was suggested that we survey all the members (we have about 50) to see why more of them do not attend meetings. Jo is to e-mail the entire member list to everyone, so members may contact each other if they wish.

### **Next Meeting**

The next meeting will be held on Friday, September 22, 2000 at the OSCPA office in Dublin.
